MEMORANDUM FOR: DEPUTY DIRECTOR (PLANS)

ATTENTION:

SUBJECT: Progress Report

REFERENCE: (a) The [] of 26 November 1951 []

(b) DADGO Memo to DD/P, dated 28 Mar 52,
Subject as above.

1. Reference (b) contains a brief summary of the status of the recommendations contained in Reference (a). The following is supplementary:

IV-b-1: OPC is undertaking the development of standard operating instructions. Lack of qualified personnel has hindered implementation of this recommendation.

IV-b-2 and 3: These recommendations are receiving careful consideration. A procedure to insure prompt reply to cables is in draft form.

(2)
VIII-b-1: The PY Division of OPC is being strengthened by the addition of a few personnel and the development of procedures and techniques by which centralized guidance can be provided to field activities. Although activated at a later date, the War Plans Division of OPC is making progress toward the accomplishment of those missions.

2. Related, but not included in Reference (a), is the current dispatch to all Senior Representatives and OPC field stations of a "Monthly News Letter". This issue containing a resume of current Headquarters developments has been well received in the field.
